AFTER-THE-BELL

What makes us tick?

The Kennett After-School Association (KASA) was founded in 1999 by a group of citizens acting in partnership with the United Way of Chester County and the Kennett Church of the Advent to meet the needs of our Kennett Middle School children. The program has grown considerably, but is still run by just one full-time staff member. The Kennett School District partners with KASA to provide facilities for After-The-Bell in our beautiful Kennett Middle School.

Our middle school students are a diverse and enthusiastic group who need a safe environment to help them develop mature interests and a strong sense of self. Participation in the array of activities provided three times each year offer many opportunities to build life skills in a nurturing after-school environment.

Close to 200 volunteers, including retired and active teachers, parents, local professionals, senior citizens, as well as high school and college students from Kennett and the surrounding area, share their time and interests with students. Volunteers lead or assist in activities, contact other volunteers and create new activities, distribute snacks, accompany students to offsite activities, and often mentor students along the way. We need you!

Community financial support comes from the United Way, foundations, commerce and industry, and public contributions. We neither receive nor seek any tax payer money to run After-The-Bell.

As you can see, we depend heavily on the generous support of the Kennett Community and YOU, our parents, through your volunteering, donations, and enthusiastic support!

After-The-Bell is Free ... But it still costs money to run.

Even though we have very low overhead and After-The-Bell is run by volunteers, it still costs nearly \$260 per student per cycle to participate in After-The-Bell. Transportation, program supplies, activity costs, insurance and staff salaries add up quickly!

We count on the generosity of the United Way, local foundations, and generous individuals to help cover our operating expenses. We are an independent 501(c)(3) nonprofit and do not receive any financial support from the Kennett Consolidated School District.

Thank you for your support!

Our Mission: After-The-Bell provides a supervised after-school program of recreational, social and academic skill-developing activities for Kennett Middle School students. The program is led by community volunteers and provided without charge.

After-The-Bell is an after-school program for students in the Kennett Middle School. The Kennett After-School Association sponsors After-The-Bell to provide an enjoyable learning experience in a safe environment. After-The-Bell is open to all students of the Kennett Middle School and is free of charge, voluntary, and subject to the availability of space and facilities. After-The-Bell does not discriminate in its educational programs, activities, or employment practices, based on race, color, sex, sexual orientation, disability, age, religion, ancestry, union membership, or any other legally protected classification.

After-The-Bell is offered in three six-week programs during the school year – Fall, Winter, and Spring - on Tuesdays, Wednesdays, and Thursdays from **2:35 pm to 5:00 pm**. Transportation home is provided. Participants receive a healthy snack and relax in the cafeteria before starting the first session at 3:00 pm. Each activity is 1 to 2 hours, depending upon the nature of the activity. If school is canceled or there is an early dismissal, After-The-Bell will not meet.

Rights and Responsibilities

- A student should take the appropriate time to learn about the activities and **should remain in the same activities for the program.**
- We try to give students their first choice of activity but maintain the flexibility to choose from their 2nd or 3rd choice if necessary.
- When you receive the letter informing you of the activities assigned, **please notify us immediately if your child does not intend to participate. We always have students on a waiting list for all of the fun activities.**
- **Students must follow the After-The-Bell Code of Conduct** at all times to be able to remain in After-The-Bell.
- Any student attending After-The-Bell may request Bus Transportation home at no charge. Students must follow our Code of Conduct while riding on the bus. **Bus service is provided by After-The-Bell, not the Kennett Consolidated School District.**
- Students who are registered for After-The-Bell on a given day must attend their After-The-Bell activities; students may not leave their activities to attend school sports games.
- Some activities are very popular. Therefore, if you sign up for a particular activity as your first choice more than once during a program, even if your application is received early, you may be scheduled for that activity only once.
- After-The-Bell makes every effort to provide the scheduled activities. After-The-Bell will provide an alternative if an activity is canceled due to weather, facilitator absence, etc.

After-The-Bell Code of Conduct

Safety • Respect • Self-Discipline

Upon registering for After-The-Bell, all students and parents agree to this **Code of Conduct**. The Code of Conduct defines how all students must behave to attend After-The-Bell activities. These rules apply for all hours. They apply to all locations, at the Middle School, at off-site activities, and on any bus.

All students must behave safely and with respect for themselves all volunteers, staff, and other students.

At the beginning of each program, the staff will meet with the students to set the expectations for proper behavior - to listen to and follow instructions from the facilitators and staff, to speak only in a respectful manner, and to follow all school rules.

The cornerstones of our code of conduct are safety, respect, and self-discipline. We promote safety, show respect, and learn self-discipline through: 1) our language and 2) our actions toward others.

The first time a student misbehaves, his/her parents may be contacted and he/she may be **dismissed from the program immediately**. The staff of After-The-Bell will determine the decision to allow the student to return during the current program or to any future program. Staff may also decide the student must participate in different activities geared toward promoting proper behavior. If these changes in activities are not acceptable to the student or parents, the child always has the option of withdrawing from the current program.

The following are examples of behaviors that will cause students to be dismissed from After-The-Bell *immediately!*

- Inappropriate behavior such as lying, bullying, bad language, swearing, threats, name-calling, or any language which could cause emotional injury to students, staff, or volunteers
- Inappropriate actions which may cause injury to people or property including insulting gestures, throwing objects at others, pushing, fighting, stealing, and destroying property
- Showing disrespect by ignoring, disobeying, talking back, or being sarcastic to volunteers or staff
- Disruptive behavior in the cafeteria, the halls, the activities, or on the bus, which may include continuing to talk when asked to quiet down, continuous and intentional interruption of a volunteer, a member of the staff, or another student
- Being disrespectful of school property, such as touching the teacher's desk, SmartBoards, whiteboard, books, displays, or equipment.
- Use of cell phones, iPads, and Earphones. Earbuds, eBooks/Kindles/other electronic readers may be allowed during certain times/activities. However, ATB is not responsible in the case of a mishap or loss of this property.

By signing the Registration Form, both student and parent are stating the following:

I understand that After-The-Bell is a completely voluntary and free after-school program that is provided by volunteers and community donations. I may choose at any time to remove my child from the program. My child is expected to behave safely and respectfully when attending After-The-Bell. If my child breaks any rules, I will be contacted by the staff. I understand that my child may then be dismissed from his/her choice of activity and/or the entire program year for misbehavior.
